Celebrates Their 10th Year Serving Airdrie and Surrounding Area

Sarah, Chayse, Lynn, Miriam, Kristy, Bruce - Owner

Five Star Communications has been the established Telus dealer in Airdrie for 10 years now.

The business, located at #3, 2145 Summerfield Blvd., offers a wide selection of cell phones, mike phones, Blackberry's, wireless air-cards, Telus high-speed Internet and Star Choice satellite TV.

Not only does Five Star Communications carry the latest technology, but all staff members are trained to provide superior customer service.

Five Star Communications owner Bruce Kerr said, "The key to maintaining exceptional service is continually upgrading the technical skills of the consultants as new revolutionary products are introduced.

"It's not just a phone anymore, it's your MP3 player, your Internet and your television," he added. "Our team is here to teach you how to make it work."

Team leader Miriam Stemberger agrees that customer service is the number 1 priority of the business. She feels the store motto says it all: "Your team of specialists ... keeping you and your business in touch."

"That is what we are all about - keeping you in touch," Stemberger said.

One of the most important connections for Five Star Communications is its tie to the community of Airdrie.

Five Star Communications has donated time and products to numerous local organizations, including Airdrie Rodeo, Airdrie Chamber Golf Tournament, Festival of Lights, Home and Garden Fair, the Santa Claus Parade, Airdrie Food Bank, breast cancer research and Fill a Backpack for Kids.

"Giving back to the community is so important," Kerr said. "We are not just a business, we are part of the Airdrie community."

Kerr has spread that commitment to his other Five Star Communications locations in Strathmore (opened in 2000) and Cochrane (opened in 2003). He noted that no matter which location, Five Star Communications is dedicated to keeping people in touch.

"We strive to connect people every day, whether it is a teenager who wants the latest technology or parents/grandparents who want to stay in touch with family and friends or a corporation with a variety of communication needs."

No matter what you need for the Christmas season, Five Star Communications can help you find that perfect gift! Make sure to drop by the store to see the latest products available just in time for the upcoming season.
