Embarrassing Moment

During a dinner party, the hosts' two little children entered the dining room totally nude and walked slowly around the table. The parents were so embarrassed that they pretended nothing was happening and kept the conversation going. The guests cooperated and also continued as if nothing extraordinary was happening.

After going all the way around the room, the children left, and there was a moment of silence at the table, during which one child was heard to say, "You see, it is vanishing cream!"

Grey Hair

A young child walked up to her mother and stared at her hair. As her mother scrubbed on the dishes, the girl cleared her throat and sweetly asked, "Why do you have some grey strands in your hair?"

The mother paused and looked at her daughter. "Every time you disobey, I get one strand of grey hair. If you want me to stay pretty, you better obey."

The mother quickly returned to her task of washing dishes. The little girl stood there thinking. She cleared her throat again. "Mother?" She sweetly asked again.

"Yes?" Her Mother replied.

"Why is Grandma's hair all grey?"

Older But Wiser

A young man was walking through a supermarket to pick up a few things when he noticed an old lady following him around. Thinking nothing of it, he ignored her and continued on. Finally he went to the checkout line, but she got in front of him. "Pardon me," she said, "I'm sorry if my staring at you has made you feel uncomfortable. It's just that you look just like my son, who just died recently." "I'm very sorry," replied the young man, "is there anything I can do for you?" "Yes," she said, "As I'm leaving, can you say 'Good bye, Mother'? It would make me feel so much better." "Sure," answered the young man.

As the old woman was leaving, he called out, "Goodbye, Mother!" As he stepped up to the checkout counter, he saw that his total was \$127.50.

"How can that be?" he asked, "I only purchased a few things!" "Your mother said that you would pay for her," said the clerk.

God Made Me

One day a little girl was sitting on her grandpa's knee playing with his long beard and patting his baldhead, and asked "Did God make me?" "Yes, my dear," her grandpa replied. "Did God make you?" she asked. "Yes, He did," he replied again. She then said, "Well, He sure does a better job these days, doesn't He?"
