You know you're from Alberta when...

1. Your idea of a traffic jam is ten cars waiting to pass a tractor on the highway.
2. "Vacation" means going to Banff for the weekend.
3. You know several people who have hit deer more than once.
4. You often switch from "heat" to "A/C" in the same day.
5. You use a down comforter in the summer.
6. Your grandparents drive at 65 mph through 13 feet of snow during a raging blizzard, without flinching.
7. You see people wearing hunting clothes at social events.
8. You install security lights on your house and garage and leave both unlocked.
9. You think of the major food groups as deer meat, fish, and berries.
10. You carry jumper cables in your car and your girlfriend knows how to use them.
11. There are 7 empty cars running in the parking lot at the Canadian Tire store at any given time.
12. Driving is better in the winter because the potholes are filled with snow.
13. You know all 4 seasons: almost winter, winter, still winter, construction.
14. It takes you 3 hours to go to the store for one item even when you're in a rush because you have to stop and talk to everyone in town.
15. You actually understand these jokes and send them to all your friends in Alberta.

"The luckiest man in the world was Adam - he had no mother-in-law."

- Sholom Aleichem
