DINER BREAKFAST

A young man at his first job as a waiter in a diner, has a large trucker sit down at the counter and order: "Gimme three flat tires and a couple of headlights." Bewildered the waiter goes to the kitchen and tells the cook, "I think this guy's in the wrong store, look at what he ordered!" The cook says, "He wants three pancakes and two eggs sunny-side up." The waiter takes a bowl of beans to the trucker. He

looks at it and growls, "What's this? I didn't order this!" The young man tells him, "The cook says that while you're waiting for your parts you might as well gas up!"

CARD NAME

A customer called the airline's reservation office to pay for his ticket with a credit card. The reservation specialist asked him, "Would you please spell the name as it appears on the card, sir?" The customer carefully replied, "V-I-S-A."
