Parent-Teacher Conference

*When I arrived for my daughter's
parent-teacher conference, the
teacher seemed a bit flustered,
especially when she started telling
me that my little girl didn't always
pay attention in class and was
sometimes a little flighty.*

*"For example, she'll do the wrong
page in the workbook," the teacher
explained, "and I've even found
her sitting at the wrong desk."*

*"I don't understand," I replied
defensively. "Where could she have
gotten that?"*

*The teacher went on to reassure me
that my daughter was still doing
fine in school and was sweet and
likable. Finally, after a pause, she
added, "By the way, Mrs. Hallinan,
our appointment is tomorrow."*
